On Thursday 2 May 2024 there will be elections for the Mayor of London and the 25 Members of the London Assembly. I am required by law to send this booklet to all registered voters who are eligible to vote in these elections. It includes mini-manifestos from the Mayoral candidates who have chosen to have one, and the names of all candidates standing for the London Assembly.

### Changes to this year's elections

**Photo ID:** If you are voting in a polling station, you **must** now bring photo identification. You can find out what forms of ID are acceptable on pages 10-12

**How we vote:** The way we elect the Mayor of London has changed. There will only be **one** vote for the Mayor, when in the past there has been a first and second choice.

There are two types of London Assembly Member. Constituency Assembly Members represent the 14 London Assembly constituencies, and 11 Assembly Members represent the whole of London. As in previous elections you have **one** vote for each.

You can find out more about how to vote and how we work out the results in this booklet.

### Mayor of London candidates

There is a list of the Mayoral candidates on page 5. Each candidate was given the choice to put a mini-manifesto in this booklet. 11 candidates chose to do so and paid £10,000 towards the booklet's cost. This is the amount required by law. The candidates and election agents have full responsibility for the content of their statements, which must comply with legal requirements. The views expressed are theirs alone. The Greater London Returning Officer and the Greater London Authority have no legal powers to edit, amend or fact-check these statements. Lots were drawn to decide the order in which they appear in this booklet.

### The London Assembly

The London Assembly acts as the eyes and ears of Londoners. Members hold the Mayor to account by examining Mayoral strategies, decisions and actions to make sure they are in the public interest. The Assembly also conducts investigations into issues of importance to Londoners. You can

find out who is standing for election from page 37 of this booklet.

### When to expect the results

#### Saturday 4 May

The counting process will take two days, starting on Friday 3 May. Results will be declared on Saturday 4 May.

To find out more about the elections please visit [londonelects.org.uk](http://londonelects.org.uk).

## At your polling station

You must show photo ID to vote at a polling station.

You can find out more on pages 10-12.

Before 2 May, you will be sent a poll card that tells you where your polling station is. You do not need to take the card with you to vote, but it will help staff. You can only vote at the polling station listed.

You can also find your polling station using our online polling station finder. Visit [londonelects.org.uk](http://londonelects.org.uk).

## Applying to vote by post or by proxy

You can also apply to vote by post, or appoint someone you trust to vote on your behalf as your proxy.

### By post

You can apply online to vote by post.

Go to [gov.uk/apply-postal-vote](http://gov.uk/apply-postal-vote).

If you're a registered postal voter, your three ballot papers will be sent to you before polling day. The deadline for new postal vote applications, and for changes to existing postal or proxy votes, is 5pm on 17 April.

You should follow the instructions in the postal ballot pack carefully.

Your ballot papers and postal voting statement must arrive at your borough's electoral registration office by 10pm on 2 May, in the envelopes provided. If you have not posted them in time, you can deliver them by hand on polling day. You can drop them off at any polling station in the borough where you are registered to vote or at your borough's electoral registration office. When doing so you will need to complete a short form, so please allow time for this.

### By proxy

If you know that you won't be able to get to the polling station on polling day, you can ask someone you trust to cast your vote on your behalf. This is called a proxy vote and the person casting your vote is often referred to as your proxy. The deadline to apply for a proxy vote is 5pm on 24 April.

The person voting on your behalf can either go to your polling station to cast your vote, or apply to vote on your behalf by post (the deadline is 5pm on 17 April). Find out how to vote by proxy at [gov.uk/apply-proxy-vote](http://gov.uk/apply-proxy-vote). If you don't have internet access, your borough's electoral registration office can help.

## What to expect at the polling station

On 2 May, polling stations will be open between 7am and 10pm.

You will be asked for your name and address, and to present your photo ID. Staff will check the name on your ID matches the name on the electoral register, then give you three ballot papers. They can help you understand how to complete them too.

### Photo ID

You can find the accepted forms of ID on pages 10-12 of this booklet. Please note that expired ID documents remain valid if you can still be identified from your photo.

If you do not have an accepted form of ID, or you are concerned you no longer resemble your photo, you can apply for a free voter ID certificate by 5pm on 24 April. Provisions are also in place for people who are registered to vote anonymously.

Find out more at [electoralcommission.org.uk](http://electoralcommission.org.uk).

### Additional support

There are 'tactile voting devices' and large-print versions of ballot papers at polling stations to help people with visual impairments.

Polling stations also have accessible booths to accommodate wheelchairs.

### Information in other languages

All voting materials in polling stations are in English. Guidance notes will also be available at polling stations in 24 additional languages: Romanian, Spanish, Polish, Bengali, Portuguese, Gujarati, Italian, Panjabi, Arabic, Tamil, Turkish, French, Urdu, Bulgarian, Persian or Farsi, Somali, Greek, Russian, Lithuanian, Albanian, Tagalog/Filipino, Hungarian, Nepalese, Hindi.

## What does the Mayor of London do?

The Mayor's job is to make London a better place for everyone who visits, lives or works in the city.

This ranges from developing policies to setting budgets, from overseeing major programmes to championing London around the world.

Responsibilities of the post include policing, transport, housing, fire and emergency planning, the environment, culture, economic development, regeneration, planning and development, and tackling health inequalities. The Mayor is elected for a four-year term.

## How is the Mayor elected?

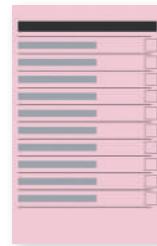

At previous London Mayoral elections, it was possible to make a first and second choice for Mayor. This 'second preference vote' was abolished by the government's 2022 Elections Act. Now you only have **ONE** vote for Mayor. Polling station staff can help you if you have any questions.

## How do I vote?

### Vote for the Mayor using your PINK ballot paper.

- Choose who you want to be Mayor of London.  
**You have one choice.**
- Mark [X] next to your choice.

The candidate with the most votes is elected Mayor.

## What does the London Assembly do?

The London Assembly has an important role in London's government. It holds the Mayor to account by examining their decisions. It also investigates issues that matter to Londoners.

The London Assembly is made up of 25 Members. 14 Assembly Members are elected to represent London's 14 constituencies. Another 11 Members represent London as a whole. The London Assembly is elected for four years.

## How is the London Assembly elected?

For Constituency London Assembly Members, the candidate in each of the 14 constituencies with the most votes wins.

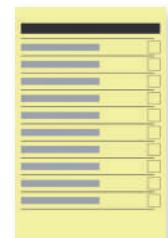

London-wide Assembly Members are elected according to how well the respective parties or independent candidates have done by adding up the votes from across London. Any party or independent candidate with 5% or less of the votes is eliminated. The 11 seats are then allocated to the remaining parties or independent candidates. This is worked out using a formula that takes into account the number of Constituency London Assembly Member seats the party has won; so that the overall make-up of the Assembly proportionally reflects how Londoners have voted.

## How do I vote for the London Assembly?

In the election for the London Assembly, you have two ballot papers.

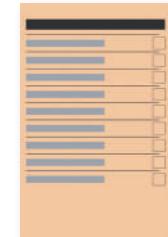

### Vote for the Constituency London Assembly Member using the YELLOW ballot paper

- Choose who you want to represent your local area on the London Assembly.
- **Vote for only one candidate.**
- Mark [X] next to your choice.

## STAND UP TO WOKE

Don't divide us! All Woke and DEI programmes will be stopped. I will serve all Londoners equally with a colourblind policy - people will be judged on their character not skin colour. I will protect religious freedoms, women's sex-based rights and gay rights. No more identity politics. Our spaces should be for everyone.

## MAKE CRIMINALS SCARED AGAIN

We need proper policing - a zero tolerance approach to both knife crime and gang violence and increased 'stop and search' powers. I will de-politicise the police. Political correctness should not interfere with law and order. We will police with strength and fairness - treating all equally without fear, privilege or favour.

## STOP ULEZ, START 24 HR TRAVEL

Travel freely! Make public transport pleasant, civil, and orderly. We need reliable, regular and safe public transport. I will end ULEZ, LTNs, and the war on cars. I will de-politicise London's transport system and stop woke messaging. I will crack down on anti-social behaviour on tubes, trains and buses.

## BUILD HOUSES, BUILD BEAUTIFUL

Increase housing, reduce rents! Our London Plan will create a smart, green, tech-focussed, democratic 24 hour city. It will back new infrastructure, beautiful architecture, and industrial renaissance. I will confront the challenges of mass immigration head on. I will put London's workers and citizens first, not the other way round.

## ROB BLACKIE

Liberal Democrat Candidate for Mayor of London

Dear neighbour,

Too many Londoners feel unsafe when they walk our city's streets. I know why.

One night I was attacked while walking home from work. My neck was broken, and I was lucky to live.

Today, my neck is fixed with titanium, thanks to the brilliance of our NHS.

**But I was lucky. Too many Londoners aren't.**

Last year a police officer told Baroness Casey's enquiry into the Metropolitan Police that detection rates for sexual offences and rape had fallen so low that 'it may as well be legal' in London.

This is unacceptable.

As Mayor I will get the Met focused on convicting violent offenders and rapists, instead of wasting time on stopping and searching young people for cannabis.

**With your support this May, we can fix the Met.**

# SUSAN HALL

**It's time London had a Mayor who actually listens.**

**London was once a great place to live. But for too many people, it's started to become unaffordable.**

Too many parents lie awake at night, worried that their children aren't safe.

Too many drivers are struggling to make ends meet, because of new driving charges introduced at the worst possible time.

Too many young people are having to choose between starting a family, and leaving the city they call home, because tower blocks are being prioritised over building affordable family homes.

The problem is Londoners like these aren't being listened to.

Rising crime. Rising cost of living. Rising house prices. These are the issues that keep Londoners up at night.

That's why London needs a mayor who actually listens to the concerns of ordinary Londoners or things will

get even worse.

I am listening to the Londoners struggling to make ends meet because of new driving charges. This is why we'll scrap ULEZ expansion on day one.

I am listening to the Londoners who want more local community policing. That's why we'll bring back borough-led policing.

I am listening to the Londoners forced to choose between starting a family and leaving the city they call home. That's why we'll prioritise building affordable family homes rather than blocks of one & two bedroom flats.

Only by listening to the concerns of ordinary Londoners can we really turn things around, and make London the great city it can be.

So vote for a Mayor of London who actually listens to Londoners. Vote for Susan Hall on 2nd May.

# A plan written by Londoners

We'll fix the issues that keep Londoners up at night.

## **Make London's streets safer**

- ▶ Recruit extra police for our streets
- ▶ Stop the closing of London's police stations
- ▶ Bring back borough-led policing

## **Cut the cost of travelling around London**

- ▶ Scrap ULEZ expansion on day one
- ▶ Support local councils to remove unwanted Low-traffic-neighbourhoods (LTNs)
- ▶ No driving charge for every mile you drive

## **Build more affordable family homes**

- ▶ Prioritise building more affordable family homes
- ▶ Stop the building of unwanted tower blocks in our suburbs
- ▶ Prioritise building on brownfield sites. Not London's remaining greenbelt

[www.susan.london](http://www.susan.london)

**Conservatives**

Prepared by Ian Sanderson acting as Election Agent on behalf of Susan Hall of 4 Matthew Parker Street SW1H 9HQ

**Cut crime. Reduce costs. More affordable homes.**

This is a plan written by Londoners to fix the issues that keep them up at night.

## RIGHT HOMES, RIGHT PRICE

Everyone has a right to a safe home that's affordable to rent and heat. London is beyond a housing crisis. And not enough has been done to fix it.

## CUTTING DAILY LIVING COSTS

Nobody should have to worry about the cost of living, or be priced out of London.

## A SAFER CITY

We need a police service we can trust to keep us safe. We need police reform now.

I'll immediately form a Rent Commission to get a better deal for renters and bring down rents. And I'll focus on buying up a supply of homes for social rent, housing more Londoners securely and quickly whilst taking more action on damp and mould.

I'll make transport affordable for all, working towards one city-wide, low fare for public transport. I will bring in free school meals for secondary school students. I will be on the side of workers and small businesses.

I'll protect services for young people, focus on local policing and ensure Londoners can report crimes to a service they trust. I know many Londoners have been affected by the violence in both Israel and Palestine - the Green Party has called for a bilateral ceasefire, release of all hostages and lasting peace. I'll do all I can to ensure the safety of our communities and not tolerate hate towards anyone.

SUPPORT FOR THE GREEN PARTY KEEPS GROWING. IT'S TIME FOR A GREEN MAYOR.

I love London, and I want our city to work for everyone, no matter who you are and where you live.

This next term of the Mayor is critical to addressing the climate emergency - we must act now and I know what needs to be done.

I have a clear plan to make London fairer. I've delivered for the NHS, managing huge budgets and projects with communities. I'm a renter; I know how unaffordable our city has become. And as a councillor, I hear how Londoners need better housing, safer streets and reliable, cheaper transport. I've got a track record of taking action and I'm ready to do more.

Green Party

# London needs Reform:

## SCRAP ALL OF ULEZ

I will scrap all ULEZ charges throughout the whole of London and remove the cameras.

## REFUND ULEZ FEES & FINES

I will refund all expansion fees and fines received since 29th August 2023.

## REMOVE LTNs & 20MPH ZONES

I will remove LTNs, 20 mph zones, needless road restrictions, pinch points, floating bus stops and excessively wide cycle lanes.

## TRIPLE BOBBIES ON THE BEAT

I will make London's streets and public transport - especially the Underground - safer.

## TRIPLE AFFORDABLE HOUSING

I will triple affordable housing builds, particularly on GLA and TfL owned land.

## PROTECT LONDON'S HERITAGE

I will defend our shared history, culture and values, and commission a significant memorial to Queen Elizabeth II.

“

As the founder of the FairFuelUK campaign, I am the only Mayoral candidate with a proven track record of making a difference to your lives by helping to reduce your cost of living.

Since 2011, every driver, business and charity has benefited from paying thousands of pounds less to fill up their motorbikes, cars, vans and trucks - all because of my campaign against fuel duty increases.

No other Mayoral candidate has an equivalent record in successful campaigning, or my detailed knowledge of road user transport - both essential to get London moving again.

I want our city back. I will be strong on crime and take a zero tolerance approach to violent offenders. I will always listen to you, and from day one I will scrap all policies that do not benefit the majority of Londoners.
